

Michael S. Buchheit

ASSURANCE SERVICES

Michael Buchheit is an accomplished financial executive with proven success in leading and developing teams and markets. Mr. Buchheit joined Marcum LLP as a Director in the Assurance practice. His ability to adapt, as well as his broad industry accounting and auditing experience provides clients with an entrepreneurial, collaborative approach to have fun and accelerate growth and profitability.

Mike Buchheit's area of professional experience includes planning and managing audit and accounting engagements. As a key member, Mike has 20 years of professional experience including significant leadership experience. Mike has worked with clients in a wide variety of professional services industries including manufacturing, distribution, software technology, construction contractors and real estate. Mike's expertise includes identifying and addressing complex accounting and auditing issues, advising clients on unique financial reporting and internal control issues surrounding private and publicly-traded entities.

Mike also possesses substantial niche experience in auditing Qualified Employee Benefit Plans, including Employee Stock Ownership Plans (ESOP), and understands the compliance requirements of Employee Retirement Income Security Act of 1974 (ERISA). Mike routinely suggests practical internal control recommendations, performs technical research, suggests accounting system design and implementation, and performs technical quality reviews.
