Arlen Lasinsky is a Director in the Advisory Services Group of Marcum LLP. Mr. Lasinsky has more than 38 years of experience as an auditor, controller, CFO and treasurer, consultant and fraud investigator. He uses his expertise to support legal counsel and their clients through contentious situations, such as civil and criminal litigation and fraud investigations. Mr. Lasinsky is a certified fraud examiner, certified in financial forensics and is widely recognized as a trusted adviser on preventative maintenance, implementing new procedures and uncovering and assessing damages. Mr. Lasinsky is a frequent speaker on the topic of fraud and cash management and has authored articles on fraud, cash management, safeguards and warning signs of embezzlement and check fraud. He has also been interviewed and quoted as an expert for periodicals, radio and television.

Among his accomplishments, Mr. Lasinsky:

- Represented a Fortune 25 company in a matter brought forth by the plaintiff who claimed alleged tortious interference, breach of contract and defamation on the part of the company.
- Was engaged by a law firm to investigate an embezzlement occurring from the law firm's client trust account. As a result of Mr. Lasinsky report, no further action was taken by the Illinois Attorney Registration & Disciplinary Commission.
- Testified as an expert witness in a fraud matter, reviewing documents and opined in his expert report presented to the court that the defendants had committed fraud.
- Represented a major financial institution in a matter brought forth by the plaintiff claiming alleged breach of contract on the part of the financial institution. Mr. Lasinsky prepared his report, causing the matter to be dismissed.
