douglas.wildstein@marcumllp.com

Douglas Wildstein is the partner in charge of the Firm's Long Island Assurance department and is a member of its Manufacturing & Distribution and Construction practice groups. His expertise includes business consulting and tax planning for closely-held companies, mergers and acquisitions, auditing and other assurance services for privately-held companies.

Mr. Wildstein uses his mergers and acquisitions expertise to identify critical issues unique to acquisitions. His valuable counsel enables clients to make prudent decisions when accepting or rejecting deals. His extensive experience in this area also includes the successful negotiation and reduction of purchase prices paid for companies.

Under his direction, Mr. Wildstein's clients experience increased efficiencies with their time and money expenditures. His skill in identifying cost savings areas and implementing effective and new internal controls and procedures has resulted in investment profit and effectiveness for his clients.

Mr. Wildstein actively participates in several internal committees, sharing his knowledge and providing guidance. He serves as a mentor for a number of staff professionals through the Career Development Committee. He plays an integral role in hiring new talent through the Recruiting Committee. He also advises the Firm's operations relating to strategic planning, practice development and client service as a member of the Management Committee.

Mr. Wildstein's earlier experience includes working at a then-"Big 8" accounting and consulting firm, as well as a small, local firm.
