drew.richards@marcumllp.com

Drew Richards is a director at Marcum LLP, a national public accounting firm located in New Haven, Connecticut. He is a certified public accountant (CPA) and is licensed by the State of Connecticut. Mr. Richards has over 12 years of experience conducting, reviewing and analyzing financial information for companies that span a variety of industries including manufacturing, cannabis, life sciences, biotechnology, and employee benefit plans. Mr. Richards' background includes financial statement audits and state and federal compliance audits, with a focus on CT Department of Economic and Community Development regulations for digital media production and other state tax credit programs. He offers an array of services to both publicly held and private companies, including financial auditing and accounting, mergers and acquisitions, due diligence, and quality of earnings reports, consolidations and financial analysis.

He is actively involved in his local community and volunteers on a number of boards and commissions.
