katy.daiell@marcumllp.com

Katy Daiell is a partner in the Firm's Boston office, a member of the Firm's Corporate Tax Services group, and the tax leader for the New England Tech and Life Science Industry Group. She has more than 15 years of experience working with public and private clients of varying size and complexity. Ms. Daiell has a diverse background in corporate tax, including tax compliance and planning for multi-national and multi-state corporate enterprises both publically owned and closely held as well as pass-through entity taxation and ASC 740 tax provision preparation and review. Her industry experience includes technology and life sciences, manufacturing, distribution, alternative investment and professional service firms. She has worked for regional, national and international public accounting firms in the past.

Ms. Daiell also serves as the Women's Initiative Leader for the Firm's Boston and Portland offices. She received her Master's in the Science of Taxation in 2010 from Bryant University of Rhode Island.
