NOTABLE LEADERS IN ACCOUNTING & CONSULTING

KEN HAFFEY

Partner-in-charge, mergers and acquisitions

Marcum

Ken Haffey brings 30 years of experience in public accounting to his role as partner-in-charge of mergers and acquisitions at Marcum LLP.

Haffey was instrumental in identifying two CPA firms in the Tampa area for acquisition, which allowed Marcum to enter the Florida market.

His nomination form refers to Haffey as a “brand ambassador for the Northeast Ohio business community.”

Haffey has a 45-year career as a CPA, which includes 10 years of key financial management and corporate planning positions with financial institutions in Chicago and Cleveland. During that time, he worked for six years as the CFO of a publicly held bank, with responsibility for all accounting, SEC reporting, internal audit and investment areas.

Haffey has been involved with or served on advisory boards of more than 20 nonprofit organizations. He presently works on five boards, four with different universities, according to the candidate response form.

He serves on the Visiting Committee of the Weatherhead School of Management at Case Western Reserve University and chairs the Audit Committee of the Ohio Bureau of Workers' Compensation, the nomination said.

Haffey has been an adjunct professor at Weatherhead for 32 years and is a winner of the Alumni of the Year award given by the Notre Dame Club of Cleveland.
