

## PETER F. RAHE, ASA

DIRECTOR ► ADVISORY SERVICES

617.807.5214

peter.rahe@marcumllp.com

Peter Rahe is a director in the Valuation, Forensic & Litigation Services practice group. He has performed valuations of business interests and provided assistance in a litigation support capacity for a variety of purposes including commercial litigation, family law matters, business damages, mergers and acquisitions, and estate and gift tax matters. The subjects of his valuation assignments have included valuations of entire enterprises, partial business interests, preferred securities, derivative instruments, and intangible assets.

Mr. Rahe's industry experience includes, but is not limited to, alternative asset managers, private equity investments, early-stage ventures, technology, life sciences, and financial services institutions. Mr. Rahe has also provided litigation support on numerous matters including breach of contract, tort claims, and the analysis of the resulting damages.

In addition, Mr. Rahe is experienced in determining reasonable compensation and assisting with other compensation related issues (including the consideration of derivative instruments, stock, and carried interests) for Chief Executive Officers and other executives of both public and private companies.
