

# RONALD BURTON JR., CPA\*

PARTNER ► TAX & BUSINESS SERVICES

631.414.4109

ronald.burton@marcumllp.com

Ronald Burton Jr. is a partner in the Tax & Business Services Department of the Firm's Long Island office. He works closely with public and privately held, mid-size, large, multistate, and multi-national companies, as well as family-owned business, providing tax planning & consulting, tax compliance, merger & acquisition consulting, and income tax provision services.

Mr. Burton has more than two decades of experience serving client in the manufacturing, distribution entertainment, retail and construction industry. He has provided clients with tax planning strategies to help minimize their tax burdens and achieve their financial goals. He has been a resource to clients buying or selling a business, with a focus is on maximizing future tax benefits while minimizing tax burden.

In addition, Mr. Burton completed the Firm's Trusted Advisor Program, which trains select associates to become trusted advisors by better understanding the needs of their clients and collaborating with Marcum's other lines of business.

Prior to Marcum, Mr. Burton spent a significant time working at in-house tax departments of Fortune 150 companies.
