DIRECTOR, BUSINESS DEVELOPMENT ► MARCUM TECHNOLOGY

561.653.7369

sara-jane.lynch@marcumtechnology.com

Sara-Jane Lynch is a seasoned business-to-business Sales Consultant. Ms. Lynch has experience as a sales and solutions consultant in various industries including Finance & Accounting, PEO, and Insurance. She works with clients to ensure they optimize the best technical solutions as well as retain the right talent within the company.

Prior to her sales and consulting career, Ms. Lynch worked for four TV stations as an Account Executive where she learned how to establish and build successful relationships with businesses. Her ability to connect with clients, analyze their current environment, and help build new processes has created successful client partnerships.
