

SCOTT MANSON, CPA*, CGMA, CMA

MANAGING DIRECTOR ► ADVISORY SERVICES

847.282.6458

scott.manson@marcumllp.com

Scott Manson is a managing director in the Firm's Advisory Services Division and a member of the Healthcare Industry Practice Group.

Mr. Manson has over 20 years of experience providing healthcare consulting, accounting and assurance services to small growth, mid-size, and national organizations that are public and privately held for profit, not-for-profit, and county owned. He works with many healthcare providers including skilled nursing facilities, home health agencies, hospices, and health centers, among others.

Mr. Manson uses his extensive experience to review and prepare Medicare and Medicaid cost reports, assist providers with state and federal audits, guide businesses as they start up, and advise on billing and reimbursement issues. His services also include financial statement reviews and compilations, forecasts and projections, agreed upon procedures, comparison of revenues and expenses with industry averages, operational analysis and budgeting assistance, and general financial business matters.

Mr. Manson blends his experience acquired in positions at regional and national accounting firms, corporate accounting at a national publicly held corporation, and audit experience with a government contractor. Mr. Manson is a frequent writer and speaker on healthcare, accounting and finance topics for industry associations, financial institutions, and continuing education programs.
